

CANTILEVERED BOW

PHOTOGRAPHED BY MADELEINE KIMBALL | 2026

Sharp horizontal lines and open negative space reduce the composition into something precise and sculptural. The vessel's cantilevered form feels suspended above water, balancing weight with tension. Printed in Brooklyn on museum-grade archival matte paper — acid-free and lignin-free for preservation and tonal clarity.

ARTIST BIO

Madeleine Kimball is a designer and photographer whose work explores form through nature, landscape, and structure. Presented through Samuel Madeleine, her collectible furniture and fine art prints share a language of proportion, materiality, and modern elegance. Drawing from Equine, Tropics, Arbor, and Yacht & Sailing, her photographic works explore structure, light, and form through a contemporary lens.
