

THE NARROWS

PHOTOGRAPHED BY MADELEINE KIMBALL | 2025

The Narrows captures the passage between Leadbetter Island and Vinalhaven, where ships move slowly through a channel shaped by tide, weather, and generations of navigation. Veiled in mist and morning light, the landscape reveals the character of a place defined by the sea. Printed in Brooklyn on museum-grade archival matte paper — acid-free and lignin-free for preservation and tonal clarity.

ARTIST BIO

Madeleine Kimball is a designer and photographer whose work explores form through nature, landscape, and structure. Presented through Samuel Madeleine, her collectible furniture and fine art prints share a language of proportion, materiality, and modern elegance. Drawing from Equine, Tropics, Arbor, and Yacht & Sailing, her photographic works explore structure, light, and form through a contemporary lens.
