

# GENESIS

---

PHOTOGRAPHED BY MADELEINE KIMBALL | 2025

---

A solitary tree emerges against a landscape softened by morning fog, its dark form rooted firmly against the disappearing horizon. GENESIS explores the enduring force of life within the natural world—a study of permanence, renewal, and the passage of time. Printed in Brooklyn on museum-grade archival matte paper — acid-free and lignin-free for preservation and tonal clarity.
