

G O R D E S I I I

DESIGNED BY MADELEINE KIMBALL

2026

Part of the GORDES series, the GORDES III Coffee Table draws inspiration from the cliffs and stone architecture of Gordes, France. A sculpted travertine base and grounded circular form create a composition shaped through balance, contrast, and texture.

Every piece can be customized to your project. Dimensions, proportions, and detailing can be tailored to suit your space.

Product and Material Representation: Product imagery and visualizations are illustrative. Each Samuel Madeleine piece is made to order; natural variations in wood grain, stone veining, color, texture, craftsmanship, and finishing are expected and contribute to the individuality of every piece.
