

G O R D E S I V

DESIGNED BY MADELEINE KIMBALL

2026

Part of the GORDES series, the GORDES IV Dining Table draws inspiration from the cliffs and stone architecture of Gordes, France. Its sculpted travertine base recalls the weathered stone forms found throughout the region, while grounded proportions and contrasting materials create a composition defined by balance and texture.

Every piece can be customized to your project. Dimensions, proportions, and detailing can be tailored to suit your space.

Product and Material Representation: Product imagery and visualizations are illustrative. Each Samuel Madeleine piece is made to order; natural variations in wood grain, stone veining, color, texture, craftsmanship, and finishing are expected and contribute to the individuality of every piece.
