

GRÉS

DESIGNED BY MADELEINE KIMBALL

MADE IN FRANCE

2026

The GRÉS Coffee Table is defined by its low architectural stance and layered stone surface. Four block-like supports give the piece a grounded presence, while the slim metal stretcher and recessed underside introduce a quiet sense of lift. Softened stone edges temper the geometry and emphasize the material weight of the form.

BESPOKE CUSTOMIZATION

Every piece can be customized to your project. Dimensions, proportions, and detailing can be tailored to suit your space.

Product and Material Representation: Product imagery and visualizations are illustrative. Each Samuel Madeleine piece is made to order in France by our master ateliers; natural variations in wood grain, stone veining, color, texture, craftsmanship, and finishing are expected and contribute to the individuality of every piece.
