

LISIÈRE

PHOTOGRAPHED BY MADELEINE KIMBALL

| 2025

A study of the forest as threshold. Dark vertical trunks frame a distant field of light, dissolving the boundary between density and openness. Lisière, the French word for the edge of a forest, reflects this place of transition—where shadow gives way to light and the landscape begins to open. Printed in Brooklyn on museum-grade archival matte paper — acid-free and lignin-free for preservation and tonal clarity.

ARTIST BIO

Madeleine Kimball is a designer and photographer whose work explores form through nature, landscape, and structure. Presented through Samuel Madeleine, her collectible furniture and fine art prints share a language of proportion, materiality, and modern elegance. Drawing from Equine, Tropics, Arbor, and Yacht & Sailing, her photographic works explore structure, light, and form through a contemporary lens.
