

S I L L A G E

DESIGNED BY MADELEINE KIMBALL

| 2026

Tailored upholstery and a sculpted wood frame define the SILLAGE Dining Chair. Named for the wake left behind a vessel, its gently curved silhouette draws inspiration from the fluid lines of contemporary yacht design and the enduring traditions of European craftsmanship. Graceful proportions and refined detailing lend a sense of understated sophistication, resulting in a piece that feels both timeless and distinctly modern.

Every piece can be customized to your project. Dimensions, proportions, and detailing can be tailored to suit your space.

Product and Material Representation: Product imagery and visualizations are illustrative. Each Samuel Madeleine piece is made to order; natural variations in wood grain, stone veining, color, texture, craftsmanship, and finishing are expected and contribute to the individuality of every piece.
