

VERTICAL NORTH

PHOTOGRAPHED BY MADELEINE KIMBALL | 2025

On Leadbetter Island, the North stands its ground. Trees hold their form through wind and winter; endurance written into every line of bark. The palette stays cool, the light spare, the air deliberate. Strength here is quiet, masculine, enduring. Elegance is the discipline to remain when everything else bends. Printed in Brooklyn on museum-grade archival matte paper — acid-free and lignin-free for preservation and tonal clarity.
